```
graph TD; subgraph FPIBG; subgraph vulkan; src[src] <-->|57| src_app[src_app]; src_app -- 1 --> src; end; end;
```

The diagram illustrates a system architecture. A large dashed box labeled 'FPIBG' contains a solid box labeled 'vulkan'. Inside the 'vulkan' box, there are two smaller boxes: 'src' at the top and 'src_app' at the bottom. A blue curved arrow points from 'src' down to 'src_app', labeled with the number '57'. Another blue curved arrow points from 'src_app' up to 'src', labeled with the number '1'.
